### \*\*Stipend

Some of the information provided in this nomination form will assist the Diocese with the Parish Cost Recoveries (PCR) for your parish. Please note that the stipend figure is only for the information of the Archbishop's Office. Those involved with PCR will only be aware that the position is full or part time. If part time they will only know how many days worked and what percentage of the full time rate the assistant will receive.

If at anytime the stipend arrangements change for your Assistant Minister, please advise the Registry in writing as soon as possible as this may affect the PCR charge for your parish and the benefits of your Assistant Minister.

Please note when calculating the stipend for any part time assistants that the working week is considered to be 6 days and not 5 days.
